## **PUBLIC NOTICE**

### **5 toea**

The 5 toea is a legal tender coin in Papua New Guinea and should be circulated, and exchange for goods and services. The Bank of Papua New Guinea (BPNG) encourages the shops and other service providers to obtain 5 toea from the commercial banks for their use. There is more than sufficient stock of 5 toea at Bank of PNG and commercial banks.

Business houses should refrain from practices of giving out lollies or other items in place of 5 toea. Customers should also insist on getting 5 toea change from shops, and not to accept lollies or other items as change.
