

BANK OF PAPUA NEW GUINEA

TENDER INVITATION

Tender for Comprehensive, Schedules Lift Maintenance Services

The Bank of Papua New Guinea is seeking tenders from suitably qualified Lift Services Contractors to provide lift maintenance services on the existing and new lift services at ToRobert Haus. The Bank of Papua New Guinea is seeking firms that can offer scheduled, comprehensive and continuous service and maintenance of the elevators, dumb waiter and bullion lifts located at ToRobert Haus Port Moresby.

The lift maintenance services tenderers will be required to demonstrate a full time maintenance presence in Port Moresby and shall ensure that they can provide the following minimum requirements:

1. Same day immediate telephone assistance for emergency breakdowns and response calls
2. Same day 1 hour call out for service for emergency breakdowns and response calls
3. Maintain sufficient parts in Papua New Guinea to facilitate maintenance of critical spares required to maintain the lifts in working order in accordance with the requirements of "Continuity of Services" Clauses in the Detailed Requirements Section
4. Maintain full time staff in Papua New Guinea to facilitate same day maintenance call outs, regular scheduled maintenance as required in the Detailed Requirements Section.

The lift maintenance tender will cover the following lifts, elevators and vertical transportation devices located in ToRobert Haus:

1. Two (2) No Passenger Elevators
2. One (1) Service Elevator
3. One (1) Bullion Lift
4. One (1) Dumb Waiter

In order to be added to the tender list and gain access tender documents all interested tenderers shall be required to provide, Copies of Current IPA and IRC Registrations and IRC Certificates of Clearance, a company profile outlining projects completed by the company in Papua New Guinea. Tenderers will also be required to provide and copies of the Contractors Current Public Liability Insurances.

Information relating to the expression of interest can be obtained by contacting Mr Greg McDonald, Project Manager, Beacon Consulting by emailing us at gmcDonald@beaconconsulting.com.au

Tender documents will be issued to tenderers meeting the above-mentioned conditions on Friday 11 May 2018 closing date for the tender will be Friday 8 June 2018 @ 1.00pm, PNG and Australian Eastern Standard Time.
