

**BANK OF PAPUA NEW GUINEA**

**“Equal Opportunity Employer”**

The Bank of Papua New Guinea is a Contemporary Central Bank and Regulator employing best practice in the development and implementation of Monetary Policy, conduct of Financial Sector Supervision and in ensuring an efficient, safe and well-functioning Payments System.

The Bank of Papua New Guinea invites expression of interest from suitably qualified and experienced individuals to fill the following position in the Financial Analysis and Supervision Unit (FASU):

**ANALYST (x2) – POLICY DEVELOPMENT & COORDINATION DIVISION**

The incumbent will report directly to the Manager, Policy Development & Coordination Division and will be responsible to:

- Ensure FASU meets all of its statutory responsibilities effectively and efficiently;
- Promote PNG’s compliance with international AML/CTF standards and obligations;
- Establishes and maintains appropriate legal, administrative and security protocols;
- Ensures at all times, protection and non-disclosure of FASU’s classified and confidential information;
- Aligns AML/CTF laws with national priority objectives;
- Works effectively with the FASU’s stakeholders and their representatives such as the NCC, FIs and DNFbps;
- Has the responsibility for ensuring the effective and efficient delivery of FASU’s powers, duties and functions;
- Provides leadership responsibilities within the Division and FASU;
- Help manage and develop resources and organisational capacity;
- Undertakes media representation and public outreach;
- Delivers key results in accordance with an annual performance agreement.

**Education/Qualification/Experience/Skills/Competencies:**

- Bachelors’ Degree in Banking & Finance, Accounting, Business, Law or a related field from a recognised tertiary institution.
- Have four plus years relevant work experience preferably in banking & finance , superannuation or life insurance, securities, general insurance industry or legal and policy development;
- Able to lead staff and effectively build teamwork within the Division;
- A working knowledge of the banking and financial system, securities industry, insurance and other relevant industry management with high level AML/CTF controls and regulation;
- Has the understanding of International AML/CTF Standards, FATF Standard requirements;
- Have hands on experience on promoting legal and compliance enforcement;
- Demonstrates management, communication, leadership experience and skills with high moral values.
